

We are an association of former personnel who have served and current personnel serving in a Locating Artillery unit or a Locating Artillery role and other people with experience or interests in Artillery Locating (Surveillance and Target Acquisition).

**Our aims are to:**

- Provide a central forum to maintain continued comradeship and contact amongst its members.
- Arrange regular meetings, annual reunions and open days.
- Provide a means for interested persons to be kept informed of current developments and doctrine in Locating.
- Provide a regular Newsletter and an Internet Web Site.
- Foster the knowledge and understanding of Artillery Locating skills and roles, particularly in relation to the Australian Defence Force and its history.
- Maintain and expand the Locating Display at the Royal Australian Artillery National Museum.
